Certified as of 08/10/2022 and supersedes any rules prior to this date.

General Rules Outline

INTENT AND SPIRIT OF THE RULES AND STRUCTURE: The Intent and spirit of MEYFL is to simulate and to teach the basic fundamentals needed to play the game of football. MEYFL is not intended to supersede the community organization programs, but to create a unified and agreeable format for teams from various member communities' youth to play football. We do have a number of basic rules that must be adhered to. Individual organizations may have more specific/detailed rules, however, those rules may not specifically apply to other communities.

***This is a DEVELOPMENTAL league**, not a "Win at all Costs" league. The intent is to provide an environment to expose all players to all aspects of the game. Throughout these rules, you may find that certain situations are not spelled out – at that point we refer to the Minnesota State High School Rules. With that said, this is not high school where an expected level of knowledge and expertise are assumed. Please attempt to simulate game situations – however keeping in mind the level of player that you are coaching and abide by the rules, goals, intent and spirit of the program. If an issue arises during a game, the referee has the final say on ANY rule interpretation. PLEASE do not argue the point. We would however ask that you refer any questions or issues to your organization's MEYFL Representative. Please remember that as coaches and adults we are to teach and facilitate, not dictate and manipulate a game that is intended to be a fun and learning experience for ALL players.

Also consider that due to the number of referees vs. the number of players and various actions on the field, it is nearly impossible to see everything that happens on the field.</p> <ul style="list-style-type: none"> • We are also asking referees to understand the level and ability of the kids – though it is optional, we give them the authority to offer ‘warnings’ to teach and make kids aware of potential infractions (i.e.: lining up offside’s, holding etc...). • We ask that the referees try when possible to communicate the warning to the Head Coach as well. • We as coaches must remember that the Referees do not have any stake in the outcome of the game. • We ask that regardless of the situation that the adults involved show a mutual respect towards each other and set a positive example of sportsmanship for the players.
Rules 'Review'	<p>If during a game, a coach believes that a ruling by a referee is not correct in accordance with the rules, a coach may call a timeout. If the ruling is overturned due to the timeout and discussion, the timeout is not charged. If the ruling on the field stands, the timeout will be charged to the team who called the timeout. Referees have final decision-making authority during the course of a game.</p>

We want to limit the number of avoidable late starts. **Recommended Solutions**- If there is another game near by that has two referees, please contact them and notify them that you do not have a referee and ask for their assistance. Note that there is a difference between 3rd/4th grade referees and 5th/6th grade. *If an official referee is not an option, coaches should get together. We ask that they mutually agree to each select one responsible adult representative from each side to referee the contest.
